Three Year Limited Warranty

You have registered coating number: 20118

The undersigned warrants this residential coating against defects in workmanship or material such as loss of adhesion, peeling, or flaking, as follows; For Three Years from the date of installation the undersigned will repair free, all defects due to workmanship or materials.

Important: The Warrant excludes damages caused by failure of any previous coating, failure of substratum. Or damage caused by physical abuse, including but not limited to scratches from abrasive objects or materials and spills from gasoline, battery acid, paint remover, insecticides, and fertilizer. This coating is not indestructible and some care in protecting the surface is necessary. Spills such as mentioned above should be immediately "hosed" with soap and water, not scrubbed into the surface.

Grease and Oil will wipe up with soap and water. Surface should be kept clean. Due to inherent movement in concrete, soil, and wooden structures, and possible lack of structural integrity of these substrata, no guarantee, either expressed or implied, is granted concerning cracks.
